

# A WORLD WITHOUT ALZHEIMER'S DISEASE

**Thursday,  
September 29th  
7:00 PM - 8:00 PM**

**Main Floor, Southborough Library**

Join us for an in-person informal session led by expert Lenore Jackson-Pope to discuss “A World Without Alzheimer’s Disease.” A respected source for families of people living with dementias, Jackson-Pope will address fundamental questions around memory, including:

- aging and Alzheimer’s
- how to recognize normal age-related memory changes
- what changes are cause for concern.
- recent advances in Alzheimer’s research
- useful information for caregivers.

**Please register via email:**
