To Beg, Borrow or Steal: Writing New Poems from Existing Work w/ Heather J. Macpherson.

How might you look back on your own poems or those written by poets you admire to draft and develop new work? In this 2-part virtual workshop, we'll closely read our own poems and that of a few Boston Moderns and create new pieces together. As both sessions are extensions of the same topic, patrons are encouraged to register for both sessions. New and experienced poets are welcome.

Closing date of registration: Friday, October 15
