

# Help Southborough Library Kick Off Summer Reading!

Children in Southborough will be participating in the Library's Summer Reading Program from June 22 through August 20. The Library is trying to provide activities this year that can be done at home or around town.

## You Can:

Add to the summer fun for the kids by putting each week's picture in your windows.

## Make Sure:

To place pictures in visible spots so people driving or walking by and the kids can look to see how many pictures they find throughout the summer.

# Thank you!
