

Tails & Tales Summer Reading

Five Things To Try: Week 9

1. Read before breakfast or after dinner
2. Build with Legos, blocks, or anything else
3. Count how many different colors of cars you see in a week
4. Make a birthday card for a friend or family member (if no one is having a birthday, you can make it in advance and save it until the birthday!)
5. Go outside and blow bubbles
