WANT TO LOG MINUTES BY HAND?

Take home a paper reading log. For every 20 minutes read, color in a picture of an animal reading.

Bring your reading log to the library at any time and the librarians will count how many minutes you read. Don't forget to check out more books and enter the library's weekly prize drawing!

You can track your reading from June 21 through August 31.

Help the library reach its goal of 90,000 minutes!
